

Guild says thanks to Dorothy

THANK YOU

I send my heartfelt thanks to the Committee and all members, both past and present of the Guild for the stunning basket of flowers and the generous gift presented to me in Church on Sunday, September 8 by Phyllis McBride on behalf of the Guild and introduced by our Minister.

They all certainly kept it a secret.

For once I was lost for words and totally overwhelmed by their generosity.

I shall enjoy taking time to choose a suitable present by which to remember everyone.

I have thoroughly enjoyed working along with the committees and members over the years. Together we achieved a great deal.

Thank you all.
